DUCHU IS A STIMULANT, and of itself Buchu is a stimulant, and of itself may fail to effect a cure, but Buchu, when scientifically combined with Bromide of Potassium and other ingredients, produces a sedative effect, and causes a healthy action, thus increasing the powers of digestion, allaying irritation, reducing all unnatural swellings, stopping pain and inflammation, and causing the repairs and nutriments in the human body to be greater than the presenting decomposition. ments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health and vigor to the system.

My Buchn is good for all diseases arising from excesses; such as Weakness, and Pain in the Back and Legs. Trembling in the region of the Heart. Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofular Syphilis, in its many forms, Ulcers, and SHEET-IRON WARE.

If your system is affected by any of the above symptoms and diseases, relief is at hand. Get a bottle of my Buchu and Bromide of Potassium at once and you may relief to order, such as Guttering, Roofing, et. ly on being cured. I know just what I say. My record as a Compounder of Medicine is second to no man in the Southwest.

Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be hind the prescription counter in the city in which I now dwell; I have cured more people of various diseases than all the physicians in Louisville put together Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicines are a success—a great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville. in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive.

My reputation as a compounder of good, reliable articles is fully established. I believe my Buchu and Bromide of Po-tassium is the best article now in the market for the cure of all diseases of the ure ary or genito-unrinary or s. such as Noctur-nal Incontinence, Irritability of the Bladder and Ure bra, Information of the Pelvis of the Kidney, and all that class of diseases. Buy a dollar bottle and be cured. Use as per directions in all cases.

JOHN BULL, M. D. Manufacturer and Vender of the CELEBRATED

FOR THE CURH OF

AGUE AND FEVER CHILLS AND FEVER

The proprietor of this celebated medi-cine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, had whole families have been cured by a single bottle, the a perfect restoration of the general health.
It is, however, prudent and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medi-cine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.

Extract of a Letter from Georgia. VILLANOW, WALKER COUNTY, Ga.,) June 29, 1866.

Dr. John Bull-Dear Sir; I have recently given your Worm Destroyer several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the HICKMAN, wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kin i.

I am, sir, respectfully.

JULIUS P. CLEMENT, M. D. P. S .- So unqualified and numerous are the testimonials in favor of my Worm Destroyer that newspaper space is entirely too small to tell its merits. It is an infallible remedy for Worms. Try it and be convinced. See my journal for a more full description. JOHN BULL.

Dr. John Bull—Dear Sir: Knowing the afficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not set the next two weeks our entire stock of DRY GOODS,

CLOTHING, BOOTS AND have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsa-

parills than in any thing else. I wish that that is genuine. Please express me half a dozen bottles, and oblige carr. C. P. JOHNSON,
P. S.—Mr. Johnson was the son of a skill-P. S.—Mr. Johnson was the son of a skillful sargeon. His mother recommended to her friends, and for many years used my Sarsaparilla with perfect success. In Scrofula and Fever-sores Mrs. Johnson states that the cures effected were almost mirraculous. Read my Journal for extended information and advice in your case. My Journal contains certificates of eminent persons, ministers and medical men—men who are known here in this community for integrity and veracity. I have recently integrity and veracity. I have recently received a most remarkable certificate from an eminent gentleman of Louisville.
